Families to ring in New Year's at Onondaga Lake Park party

A family-friendly First Night of music and fun will mark the new year at Onondaga Lake Park.

Onondaga County and Galaxy Communications Inc. are partnering to bring the celebration Dec. 31 to Lights on the Lake.

Groups catering to children will kick off seven hours of music. National pop artist Sean Kingston (*right*) will headline the event, and Central New York rocker Todd Hobin will perform with his band.

Former Syracuse University basketball star Gerry McNamara will push a button to usher in the new year with the drop of a giant orange and a fireworks display. **C-4**
